### **Mardini Constructions Celebrate at the 2017 HIA-CSR NSW Housing and Kitchen & Bathroom Awards**

Mardini Constructions celebrated their success at the 2017 HIA-CSR NSW Housing and Kitchen & Bathroom Awards on Saturday night.

The Leichhardt based company won the HIA NSW Custom Built Home \$2.5million to \$5million and the HIA NSW Custom Built Home of the Year partnered by Smeg Australia for their project at Bellevue Hill.

Judges said, "A very difficult site to work with which required major inground engineering solutions that needed significant onsite management by the builder. The design worked well on all levels and integrated with the site to provide a delightful home for the owners. The workmanship and detailing was of the highest quality. The home is very classy internally with great curved feature roof to the rear kitchen/living areas, and is well finished to the external areas with good use of copper and well laid stone making the home look good from the street."

Congratulating Mardini Constructions on such an outstanding achievement, HIA Executive Director - NSW, David Bare, said the awards recognise excellence in residential construction in NSW and represents the exacting standards of our members.

"HIA members are dedicated to achieving the very best workmanship and standards in every project they undertake. HIA's Awards provide a tremendous opportunity for our members to showcase their projects and highlight building and design excellence."

"Congratulations to this year's winners and finalists for outstanding achievement in workmanship, innovation and design. HIA is always proud to be associated with our members and their exceptional design and construction projects."

"Major winners tonight can look forward to progressing to HIA's national awards next year and we wish them every success."

The awards were held in front of a sell-out audience at The Star. The MC for the evening was comedian Vince Sorrenti.

The Association's awards were a tremendous display of the housing industry's capacity, innovation and resilience in a very busy NSW residential market.

The Housing Industry Association (HIA) is the leading industry association in the Australian residential building sector, supporting the businesses and interests of builders, contractors, manufacturers, suppliers, building professionals and business partners.
